

Hey Roadrunner,

The fall semester is around the corner, and you'll be moving to campus in just over a month! Please read this email in its entirety as there is important information regarding move-in, meal plans, parking, and your UTSA ID card.

HOUSING

Move In

UTSA Move-In Days are August 20th –23rd. Over the course of these four days, we will welcome over 3,000 new and returning Roadrunners into their on-campus homes. To ensure that the move-in experience goes smoothly for everyone, we have a structured move-in process that allows us to manage the flow of cars and people on campus and in the residence halls.

Tuesday, August 20th: Alvarez Hall (1st and 3rd floors) & Chishom Hall Bold Scholars & Guadalupe Hall

Wednesday, August 21st: Alvarez Hall (2nd and 4th floors) & Chaparral Village & Chishom Hall

Thursday, August 22nd: Laurel Village

Friday, August 23rd: Chaparral Village

Your move-in date is based on the residence hall you are moving into. Unless approved specifically by UTSA Housing, your move-in date is set and cannot be changed. On Friday, July 19, you will receive an email from us to sign up for your arrival timeslot on your move-in date. Please refer to the [UTSA Housing and Residence Life website](#) and future emails regarding the move-in process.

Roommate(s)

Listed below is your room assignment and roommate information (if applicable). Room assignments may continue to vary based on accommodation requests and unit readiness.

[What To Bring](#)

Attached is a list of typical things that you would need to pack specifically for your residence hall. The list also includes things you should not bring at all.

Pro Packing Tip: If it can't fit in your car, you probably don't need it. Pack what's provided on the list to avoid overpacking. If you forget anything or realize after you've moved in that you need additional items for your living space, there are several stores near campus where you can purchase those items.

CAMPUS SERVICES

Campus Services offers you support through key services and programs that enhance your campus experience. Read on to learn more about how UTSA supports your success, and how you can plan for the first day of classes.

[Meal Plans](#)

[Meal plans](#) make it easy to dine on campus! Enjoy fresh, chef-inspired meals at the all-you-care-to-eat [Roadrunner Cafe](#), or visit a variety of popular retail locations, including [Chick-fil-A](#), [Starbucks](#), [Freebirds](#), and [more](#). As a reminder, students residing in Laurel Village, Chaparral Village, Alvarez Hall, Guadalupe Hall or Chisholm Hall with 48 or fewer completed semester credit hours are required to purchase a meal plan.

UTSA Dining provides a selection of meal plans designed to fit your dining needs and campus lifestyle. Visit [Campus Dish](#) to review meal plan options and find the one that fits your needs, then sign up through your [myUTSA](#) account.

[Parking Permits](#)

If you plan to bring a vehicle to campus, you'll need a parking permit. Resident parking is available in numerous lots around the residence halls using a Resident "H" permit. Parking lots are not reserved for any particular residence hall—with the "H" permit, you can park in any available [residential space or commuter space](#).

Purchase your permit online through [MyParking](#). Buy now and pay later by adding the permit cost to your tuition and fees during checkout. Permits begin shipping on August 1 and take 5-7 days to arrive. Please note that permits cannot be mailed to residence halls. Send them to your permanent address or an on-campus mailbox, available at the [UPS Store](#) on campus to rent.

[UTSACard](#)

The UTSA Card is your official university ID, providing access to meal plans, residence halls, the rec center, athletic events, and more. If you visit campus during orientation, be sure to visit [Campus Services](#) to pick up your card.

If you have questions about any of these services, contact us at campusservices@utsa.edu or call [\(210-\) 458-7275](tel:(210)458-7275).

We're excited to welcome you to campus! make sure to follow us on social media for upcoming information
