

Howdy!

With just four more weeks until you move in, we hope this email finds you in good spirits and ready to start the fall semester.

It's time to choose your Move-In Day timeslot!

When selecting your timeslot, please choose **ONLY ONE**. This allotted time is for your arrival at the check-in location, Brackenridge Ave Lot 5 (**BK5**). Please do not select multiple timeslots for your parents or other family members that may be helping you move in. Timeslots are only for residents.

The timeslot provided will be for a 15-minute window. This does not mean you only have 15 minutes to move in. It means that you are allotted 15 minutes to arrive at BK5 to check in with our staff, receive your temporary key card, get directions for unloading and overnight parking, and ask any questions you may have.
